ENGINEERING WORK EXPERIENCE

hireEZ, Mountain View, CA   May - August, 2022
Full Stack Engineer Intern
Experience: Event Tracking System, June - August, 2022
- Built the event tracking system for BI team to analyze the user preference and activities within the site using typescript and shell scripting.
- Implemented User Session Analytics framework for BI team to study features users adopted and measure their activity rate within the site.
- Developed a complete automation testing framework for automated UI testing using Python and Playwright.

Experience: Jira Creator UI, May - June, 2022
- Developed a Jira tickets automation webapp for BI teams to automate the process of creating or duplicating multiple tickets at one go using React.
- Designed a React CheckboxTree component that utilizes backend schemas to generate ticket templates with multi-leveled parenting and indeterminate state.
- Maximized the efficiency for BI team by decreasing 40% tickets reporting time by upgrading the reporting tools from Excel to Jira, the app is currently in use.

Undergraduate Research Volunteer   February- May 2022
VR/AR application development and vulnerability analysis, The Ohio State University
- Collaborated with other team members to collect and analyze the illegal clone games, ripped game assets and third-party plug-ins on Android marketing place.
- Implemented a VR shooting game for the vulnerability analysis team to test game reverse engineering and code injection under Oculus device.

PROJECT EXPERIENCE

Senior Capstone: Game Design and Development   January - May 2022
Project Website: https://polygamers.itch.io/karma
- Led senior capstone game development team in creating an FPS & ARPG game using Unity.
- Designated as scrum master for the team, communicated bi-weekly progress through Timebox presentation.
- Implemented original FPS system, Inventory system, Player control, Enemy AI, and Animation system.
- Awarded as "The Best Game" and "The Most Polished Game" out of 7 class teams by the semester capstone showcase voting.
